In 500 words or less, please describe why this person deserve recognition for the "Spirit of BG" Award:

Greg joined the University in late February of this year and has been such a helpful colleague since his first day! Each year the Center for Faculty Excellence holds the Teaching & Learning Summit, which is a one-day event showcasing the excellent work the BGSU Teaching Community does. This year, Greg worked with the CFE Team to plan for the event, purchase supplies, and provided valuable input on logistics. He also cleared his schedule so that he could assist at the registration table on the day of the event. Greg's calm, reassuring demeanor was so helpful throughout the day—not only for the CFE Team, but also Summit attendees who were lost or seeking answers to questions. Greg's support leading up to and on the day of the Summit made the entire endeavor possible and the whole CFE Team appreciates his dedication to the BGSU Teaching Community!
