In 1,000 words or less, describe why this person deserves recognition for the "Spirit of BG" Award:

The little things matter. Lucy Perales does exactly what she's supposed to do and a bunch of "little things" beyond her job that add up to creating a caring, welcoming environment for people who come to Hayes Hall. From appropriate seasonal decorations to little touches (like air fresheners in the bathrooms that we're sure come out of her own pocket), Miss Lucy tries to add a little sunshine to everyone's day.

She takes the time to check in on the people she sees while she's working while never letting it interfere with the job that has to be done. She is ALWAYS positive, ALWAYS kind, and ALWAYS doing her part to improve belonging on this campus.
