In 500 words or less, please describe why this person deserve recognition for the "Spirit of BG" Award:

Matt is an alumni of BGSU and has been working as the Senior Secretary for the Department of Theatre and Film for just over a year. He offers tremendous pride in being a member of the BGSU community and spends many evenings and weekends attending campus events (predominately centered on sports and the arts) with his wife and son. He is a great ambassador for our department and has taken special care to ensure the candidates for new positions as well as the new faculty are provided with all the information they need and are provided with kindness and reassurance when navigating this new landscape. Matt has worked diligently to form relationships with every member of our department's faculty and remains engaged in all aspects of our busy department. He also helps facilitate many of our special events, leading to the fostering of our students education and growth within their discipline. He is a fantastic example of BGSU spirit and I highly recommend him for this recognition.
