**Award:** On the morning of Tues, Nov. 12<sup>th</sup> when the staff arrived to work at the Jerome library the front steps were covered with ice & snow. Doug came along and helped me and several other staff members get into the building safely. Then he went to work to totally clear the front steps & front door area of ice & snow. His kindness in helping the staff get into the library safely shows how Doug goes above his normal duties and is deserving of the Spirit of BG award. Thanks again, Doug!

We in the Department of English would like to nominate Steve Bateson and Russ Simmons for The Spirit of BG Award. Besides being two of the most hard-working individuals on campus, Steve and Russ are also very thoughtful, kind, and put a lot of pride and effort into their important craft of making our lives on campus more "colorful." A job well-done is admirable, but a job well-done with a positive attitude and willingness to help others is the definition of what encompasses the Spirit of BG and what we should all strive to attain.
