Nominee: Kelsey Meyer
Office: Undergraduate Education/Advising
Campus Address: 292 Hayes Hall
Phone: 372-5533 Email: klmeyer@bgsu.edu

In 1,000 words or less, describe why this person deserves recognition for the "Spirit of BG" Award:

While many staff across campus are highly engaged and focused on the important work of preparing campus for the arrival of our new students, it is Kelsey Meyer who's attention to detail, communication skills, and enthusiasm for opening weekend that I believe is deserving and reflective of the "Spirit of BG" award. Kelsey has been in her position for a little less than 18 months, and in that time she has developed a strong rapport with academic departments across campus, as well as a sharp understanding of the complexities around our early academic programming for new students. While her planning and organization began back in February, it was her work throughout the month of August that I wish to highlight. Kelsey brought a solution-oriented perspective to our planning, contributed strong ideas, and executed a clear communication plan with over 50 academic unit leaders, and nearly 4,000 new BGSU students. On top of this, she volunteered to help direct students on their first full day as Falcons, and she participated in the culminating New Student Convocation event, fully decked-out in brown and orange. With Kelsey's work, we were able to close the books on a very successful opening weekend. She's incredibly valuable to our offices, and demonstrates her competence and positivity each and every day.
