BGSU Dental Plan:

Delta Dental is BGSU's dental provider. There is one dental plan available and it is independent of the medical option. Therefore, you can elect to participate or not to participate in the dental plan. In addition, your dental coverage level can be different from your medical coverage level. BGSU pays 80% of the dental premium, and employees pay 20%. For claims questions, employees can contact Delta Dental directly at 1-800-524-0149.

Dependent Child Eligibility:

Dependent children are eligible for coverage until the end of the calendar year in which they turn 24, as long as they are considered your legal dependent.
