Click **JOBS** tab

Click **Create New Position Authorization**
Choose a job template to preview under “Available Job Templates”

Job templates are created using an approved position description included on the Faculty Position Request Form. If changes are needed, contact Lisa Meyer in the Provost Office to revise the description. If you don’t see your job template listed, Lisa Meyer may not have received the description to load or you may not have the correct permissions to see the template.

Submit - Continue to Approval Set-Up

Click
Assign a staff member for each Approvers* using the drop down menu.

- Hiring Manager, Chair or Director
- Assistant/Associate VP/Dean or Director
- University Director of Budgets – leave as Group Approval
- HR Equity & Diversity Officer – leave as Group Approval
- Provost Office – leave as Lisa Meyer

If you do not see a staff member that should be included on the list, please contact Human Resources to have their security changed.

Click **Save**

![Screen capture of job approval process with role approvals and buttons to save or edit approvers]
*If you need to add another level of approver, complete the following steps:

1. Click **Edit Approvers**
2. Select desired approver from left table
3. Click **>** arrow to move selection to the right table
4. Click **>** to move approver to desired slot on the list
5. Click **Save**
6. Click **Close**

Remember to assign Approver to the new added approver field and Click **Save** (7)

Once you click **Save**, you will receive the following message in the orange row above approvers “Approvers updated successfully”
This will trigger an automatic email to the first approver asking them to approve the Position Authorization Form. Once they approve the form, emails are sent to the next approvers in order until all approvers have approved the form.

If you leave the Position Authorization form process before finishing all fields and need to go back in and complete by clicking the ‘Jobs’ tab

Click on the ‘Job Title’
Click ‘Forms’ tab

Click ‘Continue’
