Instructions:

- 1 Carefully consider the performance of the staff member as you have observed it over the performance period with respect to each of the behaviors outlined below within each dimension of performance.
- 2 Select the rating that **best represents** the performance of the staff member to each statement **individually**—Refer to the definitions of the ratings above.
- **Comment** on the ratings with narrative comments in the space provided below each dimension. If you need additional space for comments, please type those comments in Microsoft Word and attach document to this form.
- 4 Please note that the Ratings of (5) and (1) require a narrative justification with observed behavioral examples.
- 5 Review ratings with the staff member, and note his/her comments about the ratings.

 Discuss and comment on any differences in opinion.
- 6 Note and evaluate achievement of goals outlined during previous review session. Indicate if this goal was, was not, or was partially achieved. If the goal was not achieved, discuss this with the staff member and comment on why and how the two of you can achieve this goal in the future.
- 7 Communicate new goals and outline how each goal can be achieved.
