Application Essay

Please attach a brief, typed essay in which you discuss the following:

What do you most hope to achieve during your time abroad? How would being selected to receive the International Travel Grant benefit you?

I certify to the best of my knowledge that all statements made on this International Travel Grant application are true and accurate. By signing this form, I give the Education Abroad office/Travel Grant selection committee permission to access my financial records from the student Financial Aid office at Bowling Green State University. I recognize that should I receive this travel grant, my name, biographical information, and the amount of the award may be included on publicity generated by BGSU. I also agree to volunteer eight (8) hours for Education Abroad during the semester that I return to BGSU or prior to my Education Abroad experience if I am graduating upon my return.

I understand that I must inform the Education Abroad office in writing if I decide to cancel my participation in this program once having submitted this application, and that repayment of the International Travel Grant in full will be required.

The Education Abroad office is committed to protecting the health and safety of all students who participate in BGSU Education Abroad programs. We closely monitor the recommendation of the US Government, Overseas Security Advisory Council, Centers for Disease Control and Prevention, and other organizations. There is a possibility that a BGSU Education Abroad program may be cancelled if there are inherent health and safety risks in a particular country or region.

Bowling Green State University is an AA/EEO employer and educator.
