STRING CAMP - JUNE 12-17

Are you a string student looking for a challenging atmosphere where you can improve on your skills? Join us this summer for the SMI String Camp at BGSU! As a violin, viola, cello or bass player, you will receive individual guidance from members of the talented string faculty at BGSU. Each student is assigned to a small chamber ensemble. A typical day includes small ensembles, an individual lesson, seminars, guest artists and student/faculty performances. Students will have the opportunity to perform in the final Chamber Music Gala Concert.

Honors String Quartet: Advanced students are encouraged to apply for the Honors String Quartet, a select group of two violins, one viola and one cello, who receive specialized coaching with our faculty, a full scholarship, including housing and meals.

Please visit bgsu.edu/smi for application instructions.

Preparation: String camp is designed for students ages 12-18 with at least one year of middle school and/or high school string instruction. For any exceptions, please contact the director of the camp. On the first day of camp, students should prepare an etude and/or solo for placement in ensembles.

Scholarships: Scholarships are available to help defray the cost of the camp. The Dorothy M. Price Scholarship requires an application form. Please check the "Scholarships" tab at bgsu.edu/smi.
