Identifying Personal Core Values

Consider the following questions. How could these questions help you in identifying you thoughts, feelings, values, beliefs, priorities?

- 1. What are my most redeeming qualities?
- 2. What are my weaknesses?
- 3. What am I doing to network and build alliances?
- 4. What do I enjoy most?
- 5. How can I shape my career goals around what I enjoy?
- 6. What is one accomplishment I must make in my life?
- 7. How could I correct or compensate for my weaknesses to ensure accomplishment of my long-term goals?
- 8. How does my faith shape my sense of identity?
- 9. What previous experiences or education will help me arrive at my desired destination?
- 10. How can my present job situation serve as a steppingstone toward my destination?
- 11. What will a perfect day look like when I have arrived at my destination?
- 12. Who might assist me on my journey?
- 13. What kind of people will I spend time with when I have arrived?
- 14. In five or less sentences; how will I know when I've arrived?
- 15. How does my faith shape my destiny?
- 16. What are my moral absolutes?
- 17. How do I define right from wrong?
- 18. How would I define my work ethics?
- 19. What values will help me build strong relationships?
