- Time and date of the exam is based on time and day of the first class meeting during the semester.**

For example in the schedule above, a class with a first meeting time in a week at 11:30am on Monday is scheduled for examination from 10:45-12:45pm on Fri., May 9, 2014. Similarly, a class with a first meeting time at 4:00pm on Tuesday is scheduled for examination at 3:30pm on Mon., May 5, 2014.

- If a scheduled exam for one class overlaps with a common exam time for another class, then students should consult with the instructors of both classes to resolve the time conflict.
- For classes starting at a time not listed above, students should consult with their instructor to establish an ideal meeting time for the final exam and then instructor should contact Registration & Records to schedule a room.
- Students should check their Student Center on MyBGSU for exam time and room just before the end of the semester.**
