Hello,

Thank you for your continued interest and participation in Bowling Green State University’s Job Location and Development (JLD) program. By posting jobs, attending our Summer Job Fair, or participating in recruitment activities, your organization has contributed to the earnings, learning, and professional growth of BGSU students. I have enclosed our annual newsletter so that you can read about our recent activities and make recruiting plans for the 2015-2016 academic year.

To ensure the continued federal financial support for the JLD program, BGSU is required to annually report the number of students for whom jobs were located or developed as well as students’ estimated earnings from those jobs. We ask for your assistance in providing information regarding the BGSU students hired by your organization to work on a part-time or seasonal basis at your organization during the past fiscal year as a result of your partnership (posting jobs, attending the Summer Job Fair, or recruiting on campus) with BGSU. Specific names or individual earning amounts are not required; only your best estimates. We ask for this information because it is critical to our continued funding for JLD services. Your response helps us affirm the value of our work and ensures that we can continue to provide students with access to excellent employment and learning opportunities and provide employers with high-quality and personalized services. If you return the below collection form by July 31, 2015, you will receive a $25.00 discount on your 2016 Summer Job Fair registration and will be entered to win free registration to the 2017 Summer Job Fair.

By employing BGSU students, you do more than simply meet your staffing needs and help our students pay their college-related expenses. You provide opportunities for students to practice the concepts they have acquired in the classroom and develop work skills available only through hands-on experience. For the 2014–2015 year, JLD employers reported hiring 1,247 BGSU students with nearly $4.9 million in estimated earnings!

Please note that we are available all throughout the year to assist with your recruiting needs. On behalf of Student Employment Services, the Job Location and Development Program, and our students, thank you for your cooperation, continued support, and employment of BGSU students. Have a wonderful summer!

Sincerely,

Dawn Chong, Director of Student Employment Services

BGSU Student Employment Services held its 34th Annual Summer Job Fair on March 26, 2015. This event gave BGSU students a chance to get a jump on finding great summer jobs or internships. More than 350 students had an opportunity to speak with 142 recruiters from 65 organizations. The fair continues to be an effective means for employers to identify and recruit talented students for summer jobs, part-time employment, and internships. BGSU has a proven history of hosting Ohio’s premier summer employment fair. Mark your calendar for Wednesday, March 16, 2016, and join us for our annual Summer Job Fair. Details and online registration form will be available at www.bgsu.edu/stuemp in early January 2016.

Thank you to all the employers who attended and made the 2015 Summer Job Fair a success.
Thank you to all JLD Employers Who Reported Hiring BGSU Students Last Year

Last year, these employers reported hiring 1,247 BGSU students to fill part-time, or seasonal positions with estimated earnings of $14.9 million. Since 2000 you reported hiring 16,784 BGSU students with $59.7 million in estimated earnings! Reporting this information will help ensure the continued federal financial support of the JLD Program.
