

Instructions for Applying to Graduate School

All information for The Graduate College at Bowling Green State University is available online.

Applying to The Graduate College is easy and convenient with our online application. Your application will be instantly uploaded into our system. Once you click on "Submit," your application will arrive at the college -- no envelopes or stamps necessary! To directly access the online application, go to:

<http://www.bgsu.edu/colleges/gradcol/page24959.html>

At the **Graduate College** homepage, you will find information on such topics as admissions, sponsored programs and research, and academic resources. Plus, you can access the Graduate Catalog for information on all of the master's and doctoral programs offered at BGSU. The Graduate College homepage can be assessed at:

<http://www.bgsu.edu/colleges/gradcol>

Not sure how you're going to fund your graduate education? Check out the **Financial Aid** page, which discusses graduate assistantships, internships, co-ops, loans, and house/hall directorships, among other things. You can access the Financial Aid page through the Graduate College homepage or by going to:

http://www.bgsu.edu/colleges/gradcol/financial_aid1.htm

If you are applying to the **Department of Biological Sciences**, you can get information about programs and graduate faculty, including descriptions of current research programs, at the home page:

<http://www.bgsu.edu/departments/biology>

If you are an **International Student**, the Center for International Programs homepage will provide a Financial Statement form and will answer questions about University Costs, etc.

<http://international.bgsu.edu>

The **Graduate Catalog** can be found at:

<http://www.bgsu.edu/colleges/gradcol/catalogs.htm>

Thank you for your interest in the Department of Biological Sciences Graduate Program at Bowling Green State University. If you need further information, please contact the Graduate Secretary at ldevenn@bgsu.edu.
