

**DEPARTMENT OF BIOLOGICAL SCIENCES  
BOWLING GREEN STATE UNIVERSITY**

Scholarship Information Sheet

**Biology Alumni Sophomore Scholarship**

The Biology Alumni Sophomore Scholarship is awarded annually to a full-time biology major who will be a sophomore during the academic year scholarship funds are used. Requirements: 3.0 minimum GPA and demonstrated potential for a successful undergraduate experience at BGSU.  
Past award: 3 awards @ \$475 each

**Jean Pasakarnis Buchanan Scholarship**

The Jean Pasakarnis Buchanan Scholarship is awarded annually to a biology or medical technology major who will be a junior or senior during the academic year scholarship funds are used. Requirements: 3.3 minimum GPA and 30 semester hours completed at BGSU.  
Past award: 2 awards @ \$500 each

**T. Richard Fisher Biology Scholarship**

The T. Richard Fisher Biology Scholarship is awarded annually to a biology major who is interested in ecology or the plant sciences. Requirements: 3.0 minimum GPA and 30 semester hours completed at BGSU.  
Past award: 3 awards @ \$550 each

**James D. Graham Memorial Scholarship**

The James D. Graham Memorial Scholarship is awarded annually to an outstanding biology major who will be a junior or senior during the academic year scholarship funds are used. The scholarship is non-renewable. Preference will be given to students with an interest in cellular and molecular biology. Requirements: 3.3 minimum GPA and 30 semester hours completed at BGSU.  
Past award: 3 awards @ \$400 each

**McKinney-Whitwer Scholarship**

The McKinney-Whitwer Scholarship is awarded annually to a biology major who will be a junior or senior during the academic year scholarship funds are used. The recipient shall have demonstrated significant commitment and exhibited promise of future distinction in a career in the biological sciences. Additionally, the recipient shall have demonstrated an understanding of the importance of helping others by a record of involvement in university or community activities.  
Past award: 6 awards @ \$350 each

### **Barry R. Morstain Scholarship in Biology**

The Barry R. Morstain Scholarship in Biology is awarded annually to a biology major who will be a junior or senior during the academic year scholarship funds are used. Strong preference will be given to minority students. Requirement: 3.0 minimum GPA. Past award: 2 awards @\$450 each

### **Multicultural Student Scholarship**

The Multicultural Student Scholarship is awarded annually to a minority student biology major who will be a sophomore, junior, or senior during the academic year scholarship funds are used. Requirements: 3.0 minimum GPA and evidence of leadership potential through participation in departmental or university activities. Past award: 2 awards @ \$250 each

### **Schedel Scholarship**

The Schedel Biology Scholarship is awarded annually to a full-time biology major who will be a sophomore or junior during the academic year scholarship funds are used. Requirements: 3.0 minimum GPA and demonstrated interest in environmental concerns. Past award: 5 awards @ \$475 each

### **Waldo and Evelyn Steidtmann Scholarship**

The Steidtmann Scholarship is awarded annually to a biology major who will be a junior or senior during the academic year scholarship funds are used. Preference will be given to students with an interest in the plant sciences or environmental concerns. Requirements: 3.3 minimum GPA and 30 semester hours completed at BGSU. Past award: 4 awards @ \$525 each

### **Harold E. Tinnappel Scholarship**

The Tinnappel Scholarship is awarded annually to a continuing, full-time student who by an outstanding record has indicated a potential for a high level of success in the sciences. Preference will be given to an applicant who has a vocational interest in conservation, horticulture, or botany. The scholarship is renewable. Past award: 3 awards @ \$425 each

### **Dennis R. Whitmore Memorial Scholarship**

The Dennis R. Whitmore Memorial Scholarship is awarded annually to a declared microbiology or biology major who will be a junior or senior during the academic year scholarship funds are used. The award is designed for a student with a commitment to microbiology or molecular biology. Requirements: 3.3 minimum GPA and 30 semester hours completed at BGSU. Past award: 3 awards @ \$500 each

**Dr. Suzanne K. Miller Undergraduate Research Assistantships**

Up to ten assistantships are awarded annually to biology majors who will be Juniors or seniors during the year the assistantship is completed. Assistants receive \$550 compensation for one semester (10 hours/week) as a research apprentice with a faculty member in the department. Requirement: enrollment in Biol. 401 (Introduction to Research) during the semester of the assistantship (min. one hour credit).
