The Department of Computer Science will complete the registration for this section. Return this form to the Department of Computer Science, 221 Hayes Hall. Note that these courses are graded on an S/U basis only.

*Undergraduates working through the Co-Op Office can receive a maximum of six hours of credit for CS 3900. Graduate students and other undergraduates can receive a maximum of three hours of credit for CS 3900/5890. An excess credit fee is charged to students registered for more than 18 credit hours in a given term. If registration for this course would put you over 18 hours, you can split the credit among two or more semesters or use credit-by-exam to obtain the credit. Registration must be completed by Thursday of the first week of classes in the semester when credit is to be obtained.
