

MS Applicant Reference

Applicant's Name _____
(Family Name) (First Name)

The person named above is applying for admission to the Graduate College at Bowling Green State University to pursue the MS degree in computer science. Please give us your appraisal of the applicant's qualifications. Please respond by providing an evaluation on your letterhead that addresses the following points:

1. How long have you known the applicant?
2. What is your relationship to the applicant?
3. What are the applicant's qualities that may or may not make the applicant desirable as a graduate student?
4. Would you like to have the applicant as a graduate student at your college or university, or as an employee at your firm? Why?
5. What kind of assistantship (teaching, research, programming, none) would be most appropriate? Why?

Be sure to sign your evaluation and include your name, title, institution, mailing address, and phone number. The evaluation can be mailed to:
