

**Bowling Green State University
Department of Computer Science
2012 Scholarship Application**

Please fill out this form if you would like to be considered for one of the scholarships awarded through the Department of Computer Science. This form should be filled out by Computer Science undergraduate majors only.

Name: _____ Student Number _____

E-mail address: _____ Local phone: _____

Local address: _____

When do you expect to graduate?

___ May, 2012	___ August, 2012	___ December, 2012
___ May, 2013	___ August, 2013	___ December, 2013
___ May, 2014	___ August, 2014	___ December, 2014

List all computer science courses you have completed (e.g., CS 201/2010, etc.)

Scholarship selection: Indicate on the other side of this page the scholarships you wish to be considered for.

Other information: Please attach a document (prepared with a word processor) with responses to the following.

1. Describe any non-class-related computer experience (including co-op or internship positions), with dates.
2. Describe any organizations you participate in and your role in these organizations, with dates.
3. What other scholarships and fee waivers have you received? (Do not include loans.)
4. Describe your career objectives as you currently envision them.
5. Include documentation that you meet the criteria specified below for each scholarship you are applying for.

Signature Date

**Please return this form to the Computer Science Department Office in
Hayes Hall, Room 221 not later than 12:00 Noon on
Monday, February 6, 2012**

Which scholarship(s) would you like to be considered for?

_____ **The Huntington National Bank Grace Hopper Memorial Award:**

An award given in memory of Grace Hopper by Huntington National Bank in Columbus, Ohio. Grace Hopper was a U.S. Navy Rear Admiral who died in 1992 and was best known for the development of the COBOL programming language, the terms "bug" and "nanosecond", etc. The award will be given to a Computer Science major who will graduate in 2012(Spring, Summer, or Fall) and has demonstrated strong academic performance, leadership in the classroom, and dedication to the computing profession.

_____ **The Progressive Insurance Outstanding Computer Science Senior Award:**

An award given by Progressive Insurance in Mayfield Village, Ohio. The award will be given to a Computer Science undergraduate major who will graduate in 2012 (Spring, Summer, or Fall) and has demonstrated strong academic performance, leadership in the classroom, and dedication to the computing profession.

_____ **The Shanon Wise Marks Memorial Scholarship(s) in Computer Science:**

At least one award given in memory of Shanon Wise Marks by her family and friends. (Shanon was a 1991 graduate of the Computer Science program at BGSU who was murdered on November 12, 1997.) The award will be given to one or more female Computer Science majors who will be a junior or a senior in the coming academic year (2012-2013) and has at least two semesters of study remaining prior to graduation. Selection will be based on (1) academic achievement, (2) financial need, (3) evidence of leadership skills, and (4) professional potential.

_____ **The Pete Sanderson Scholarship:**

An award given by Pete Sanderson (a BGSU Computer Science graduate - 1976 BS and 1977 MS) to a Computer Science major who will be a junior or a senior in the coming academic year (2012-2013), has a 3.5 (or better) overall GPA and a 3.5 (or better) GPA in computer science courses. Also considered are quality of participation in computing-related activities and in other extra-curricular activities.

_____ **The Sogeti Computer Science Scholarship:**

An award given by Sogeti in Columbus, Ohio. The award will be given to a Computer Science major who will be a junior in the coming academic year (2012-2013) who has demonstrated strong academic performance, leadership in the classroom, and dedication to the computing profession.

_____ **The Leland R. Miller Memorial Scholarship:**

An award given in memory of Dr. Leland R. Miller by his family, friends, colleagues, and former students. (Dr. Miller was a faculty member in the Department of Computer Science at Bowling Green State University from 1971-2004.) The award will be given to a Computer Science major who will be a junior or a senior in the coming academic year (2012-2013) and has at least two semesters of study remaining prior to graduation. The student should have completed at least 30 hours of credit at BGSU, should have an overall GPA of at least 3.00, should have a demonstrable financial need, and should show evidence of service to the community (Bowling Green, the student's hometown, etc.).

_____ **Marathon Oil Company Scholarship in Computer Science:**

An award given by Marathon Oil Company. The award will be given to a Computer Science undergraduate major pursuing a degree with the intent of working in the energy industry. The student must have a GPA of 3.0 or above, be eligible to work full time in the US upon graduation and have work authorization for an internship in the US prior to graduation (this criteria met by any of the following: US Citizenship, green card, H-1B visa or F-1/F-3 visa with OPT approval).

College of Arts & Sciences Scholarships

The College of Arts and Sciences manages two scholarships that may be awarded to computer science majors: the **Jeff Dey Computer Science Award** and the **Kurtz-Wright Scholarship for CS**. Application information is available from the college office.
