

Requesting Personal Server Space

First, access your mybgsu account at <http://www.bgsu.edu/students>.

Enter the information requested.

A login form with three input fields and two buttons. The first field is labeled "BGSU ID (P00):" and is empty. The second field is labeled "BGNet Username:" and has the text "(same as e-mail username)" to its right. The third field is labeled "Authentication Password:" and has the text "(same as e-mail password)" to its right. Below the fields are two buttons: "Login" and "Help". A white arrow points to the "BGSU ID (P00):" field.

Select "Add Server Account". On the next screen, you will be prompted to choose a server account. Notification of approval for your request will arrive through e-mail.
