

APPLICATION FORM

Humphrey Fong Distinguished Undergraduate Award in Mathematics Education

Department of Mathematics and Statistics
Bowling Green State University

Application Deadline: Monday, February 11, 2008

Applicant's Name: _____
First Middle Last

Major(s): _____

Address: _____

e-mail: _____

The award of up to \$1000 is to recognize the junior who best demonstrates exceptional talent and professional promise in mathematics education.

To be eligible for this award, you must be a full-time undergraduate student in the College of Education and Human Development with an Adolescent/Young Adult (Secondary) Education major with an Integrated Mathematics specialization, hold the class rank of junior (as of December 1, 2007 or January 7, 2008), and have a minimum GPA of 3.5 in math coursework.

Attach two brief statements (each one 200 words or less) to answer these two questions:

1. Why are you excited about *mathematics* (as opposed to *teaching* mathematics)?
2. How will you get your students interested in learning mathematics?

List all courses you have taken in the Department of Mathematics and Statistics and the names of your professors:

Course	Semester	Professor
_____	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____

Return completed applications to the office of the Department of Mathematics and Statistics, Room 450 MSc, , or send by email to zirbel@bgsu.edu, by February 11, 2008.
