

**Bowling Green State University
Chemistry and Photochemical Sciences**

Application for Graduate Assistantship or Fellowship

This form needs to be submitted with the Application for Admission. The information on this form will be a strong factor in the awarding of an assistantship or fellowship, therefore, please complete both sides carefully (please print). For detailed information about our graduate programs, please go to the following web sites:

M.S. in Chemistry: www.bgsu.edu/departments/chem
Ph.D. in Photochemical Sciences: www.bgsu.edu/departments/photochem

Date: _____

Name: _____

Street Address: _____

City/State/Country: _____

Telephone: _____ E-mail: _____

Requested Admission Term: Fall Spring Year _____

Highest Degree Earned: B.S. M.S. Other _____

For the following questions, **please attach additional sheets of paper if necessary.**

1. Please provide a statement concerning your personal history, family background, and particular influences in your intellectual development. This statement should include educational and cultural opportunities (or lack of them), social and economic advantages or disadvantages that you may have faced, and the ways these experiences affected you.

2. Have you conducted any research at the undergraduate or master's level? Yes No
If so, please describe your prior research experience.

3. Write a brief statement about your current research interests and proposed area of thesis / dissertation research. Be specific as possible.

4. Please explain why you would like to pursue an M.S. in Chemistry or Ph.D. in Photochemical Sciences at BGSU and which area of our research currently being performed in our department interests you.

5. Which of the following major branches of chemistry best reflects your research interest?

Biochemistry

Organic Chemistry

Polymer Chemistry

Inorganic Chemistry

Physical Chemistry

Theoretical Chemistry

6. If admitted to the Ph.D. program, please indicate professors whose research interests you..

3. If you are not admitted to the Ph.D. program, do you wish to be considered for the Masters program?

Signature _____

Date _____
