Student Financial Aid

**2009-2010  
FOUNDATION SCHOLARSHIP  
APPLICATION**

This application is used by Student Financial Aid (SFA) to identify qualified applicants for the scholarships listed below for the upcoming 2009-2010 school year. If you would like to be considered for any of the listed scholarships, you must submit this completed application to SFA by **April 30, 2009**. Selected recipients will be notified by mail no later than June 30, 2009. Due to the volume of applications received, only students who are selected for an award will be notified.

Each applicant will be considered only for scholarships for which the criteria are met. To receive consideration for scholarships that require demonstrated need, a 2009-2010 Free Application for Federal Student Aid (FAFSA) must be on file by the April 30, 2009 application deadline.

Scholarships offered through the Foundation application are highly competitive. Historically, approximately 10% of students that apply through this process will receive an award based upon a donor's specific scholarship qualifications.
