Registration Assignment Times – Fall Semester 2008

Listed below is the **first** date you may register for your classes for the **Fall Semester 2008**. Registration assignment times are based on your current class standing and your date of birth. For example, a Junior born on January 23 may begin registering at 10 a.m. April 2nd.

Your current class standing does not include your Spring 2008 credit hours.

You can use the web at **MyBGSU** to register any time on or after your assigned time. Please refer to the registration system hours at www.bgsu.edu/offices/registrar for the times when the system is available. It is to your advantage to register as soon as possible after your registration time begins. These times are assigned to those students who are registered for Spring Semester 2008 and readmitted or new guest students who have their application on file.

Please do not try to register before your assigned time. You will not be able to register and will interfere with the assigned times of others using the system.
