**Note:**

- \*For example, a class that meets for the first meeting time in a week at 9:30am Monday is scheduled for exam at 8:30am Friday, December 18, 2009. Similarly, a class' first meeting time at 1:00pm Tuesday is scheduled for exam at 1:15pm Wed., Dec. 16.
- If a course meets both in large lecture and discussion format, the first large lecture time in a week is used above.
- If a scheduled exam for one class overlaps with a common exam time for another class, then consult with instructors of both courses to resolve the time conflict.
- For classes starting at a time **not** listed above, students should consult with their instructor to establish an ideal meeting time for the final exam, and then the instructor should contact Registration & Records to schedule a room.
- Students should check with all instructors before the end of the term to verify the correct exam time, day, and room.
