BG@100 Information Item
ESC Submission: January 9, 2006

Identification Information:

<i>Reference Number</i>	FMS-0001
<i>Functional Area</i>	Financials
<i>Title</i>	BGSU Branding of PeopleSoft Pages

Background Information:

The PeopleSoft web pages, as delivered, are branded with the PeopleSoft logo in the upper left corner of the page. The pages lack any BGSU branding that would identify them as part of a University application. ESC approved BGSU custom branding for the HCM application (HCM-A015) which will be applied to the FMS application.

Information Item:

PeopleSoft does not provide a method for customers to brand the web pages without a customization to the system. The customization for branding the web pages was determined to be fairly simple during the HCM project (10 hours/\$1500 for the original implementation and 5 hours/\$250 for upgrades). The Project Office plans to apply the same branding customization to the FMS application to keep the look of the PeopleSoft web pages consistent.

We will replace the PeopleSoft logo and blue banner in the upper left corner of the web pages with the  logo and leave the  logo in the lower right corner of the web pages.
