VI. **Professional Development**

- **The Transition to Digital**, a Learning Community sponsored by the Center for Teaching and Learning, BGSU. 2007-2008, 2008-2009, 2009-2010 (meets for 1.5 hrs twice/month)
- **Peer Reviewer for The Higher Learning Commission of the North Central Association of Colleges and Schools**. Site visit to University of Missouri at Kansas City, October 10-14, 2009. Final report submitted two months later.
- **Library E-tools for Teaching, Learning and Research**, a Learning Community sponsored by the Center for Teaching and Learning, BGSU. 2008-2009. "The members of the Library e-Tools Learning Community will have an opportunity to explore the newer, cutting-edge technologies available through University Libraries and OhioLINK. Knowledge and use of these e-tools will enhance faculty teaching and research as well as bolster student learning."
- **Training to become a PEAQ Peer Reviewer** for The Higher Learning Commission of the North Central Association of Colleges and Schools, November 12-14, 2008, Chicago IL. (*program limited to newly selected PEAQ C-Es* - called Consultant-Evaluator or C-E). This 3-day program provided an intensive simulation of an actual accreditation team visit to Wright State University, complete with interviews, the full self-study report, and mock teams. Over the course of the program, we worked with our teams to consult and evaluate Wright State University, providing information for the institution's improvement and making accreditation-related recommendations. In the process, we learned the role, expectations, and nuts and bolts of being a PEAQ C-E.
- **Annual Conference on Best Practices in Institutional Effectiveness: Getting Assessment, Accountability & Outcome Evaluation Right the First Time**, Savannah, Georgia, July 13-16, 2008.
- **Student Response System Pilot** – Summer 2007 to the present. Developed SRS in HP 215, HP 340 & HP 338.
- **Document Security** Tuesday, September 18, 2007, 1:30 p.m. - 2:15 p.m. CTLT. Document security is important in this digital age. Microsoft Word and Adobe offer tools to help you protect your valuable information. You will learn to use features in both programs to improve security, for example, attaching a digital signature to a document to ensure its authenticity and checking the properties of submitted documents for anomalies that could signal plagiarism.
- **Introduction To Web** Wednesday, September 19, 2007, 1:00 p.m. - 2:00 p.m. This workshop is an introduction to Web 2.0, a term often applied to the ongoing transition of the World Wide Web from a collection of web sites to a full-fledged computing platform that provides web applications to you, the user. Web 2.0 applications allow collaboration among peers, instant sharing of resources, and access to information from any Internet browser. How can you use these

tools to enhance your students' learning? This workshop will introduce and briefly demo the following applications: Second Life; Google Docs, Google Spreadsheets, and Google Calendar; Meebo (Instant Messaging); Zoho Show (presentations); Flickr; and del.icio.us (Social Bookmarking). We will be discussing the classroom applications of each tool. The Center also provides workshops on other Web 2.0 tools, such as podcasting and the use of blogs and wikis.

- **PDFs in the Classroom**, Center for Teaching and Learning, BGSU. September 13, 2007; 9:00 a.m. - 10:00 a.m.
- **International Academy of Sex Researchers annual meeting, Vancouver, Canada** (August 8-11, 2007) Vancouver, BC.
- **Apple Distinguished Educator Summer Institute 2007**, July 24-28, 2007, California State Monterey Bay.
- **Annual Conference on Best Practices in Institutional Effectiveness: Getting Assessment, Accountability & Outcome Evaluation Right the First Time**, the Center for Applied Research, CPCC, Charlotte, North Carolina, July 16-18, 2007
- **Digital Photography HDR**, CTLT Thursday, April 12, 2007, 9:30-10:30.
- **Reflecting, Writing, and Collaborating to Learn: An Introduction to Blogs & Wikis**, CTLT Thursday, April 12, 2007, 1:00-2:30.
- **Creating a Student Centered Dynamic Learning Environment**, CTLT Workshop September 26, 2005.
- **Transition to Digital**, BGSU faculty learning community 2005-2006
- **Assessment of Online Learning**, half-day workshop by Terri Manning and Joseph Hoyer at the May 2005, San Diego. Assessment of Online Learning at the Association for Institutional Research (AIR) Annual Forum
- **SPSS Training** at WVU, Spring 2005.
- Completed courses and certification exams at West Virginia University, December 3, 2004 for:
 - Human Participant Protections Education for Research Teams
 - HIPAA – Research Requirements Training
- Completed "Fundamentals of Clinical Research," workshop provided by the *Association of Clinical Research Professionals (ACRP)*, San Francisco, September 9-10, 2004.
