<http://www.smartmarriages.com> for the full program and to download a brochure.

NSCH Special Pediatrics Volume

The Pediatrics special volume issue illustrates national and state findings from the 2003 National Survey of Children's Health (NSCH). Included are 15 articles that provide critical information for policy makers and others concerned with ensuring the best care and health outcomes for children. To preview these articles visit the [NSCH home page](#) and click on the Pediatrics link under New Publication.

MCH Epidemiology Course Training Opportunity

The Maternal and Child Health Bureau (MCHB) is offering a Training Course in MCH Epidemiology with sponsorship from CDC. For more information, [click here](#). The application deadline is Monday, March 5, 2007.
