International Conference on Urban Health – Call for Abstracts deadline extended until June 1

Abstracts are welcomed on all topics related to urban health, and submissions from community organizations are particularly encouraged. Submission instructions are at this link:

<http://www.icuh2007.org/abstracts.html>. The conference will take place Oct. 31-Nov. 2 in Baltimore, Maryland.

Call for Nominations: 2007 Olscamp Research Award and Outstanding Young Scholar

— The Olscamp Research Award is presented to a faculty member for outstanding scholarly or creative accomplishments during the previous three-year period.

— The Outstanding Young Scholar Award is given to outstanding young faculty who have excelled in their scholarly endeavors.

Nominations for these awards will be accepted on/or before July 16 in the Office of Sponsored Programs and Research. Guidelines are available at the SPAR web site:

<http://www.bgsu.edu/offices/spar/forms/Internal-Forms.html>.

Institute for Social Research SRC Summer Institute

The SRC Summer Institute teaches state-of-the-art practice and theory in the design, implementation, and analysis of surveys. [Click here](#) for an overview, course descriptions and application instructions.

ICPSR Summer Program in Quantitative Methods of Social Research

The Summer Program provides a comprehensive, integrated program of studies in research design, statistics, data analysis and social science methodology. Its instructional environment stresses integration of methods of quantitative analysis within a broader context of substantive social research.
