

Study Spanish in Alcalá de Henares, Spain

with Bowling Green State University's AYA Spain Summer Program!

May 29 – July 25, 2009

If you're a graduate student with a BGSU contract as a teaching, research, or administrative assistant, you are eligible for a waiver of instructional and general fees for BGSU's two-month summer program in Spain. This is a great way to enhance your résumé and develop important intercultural skills, as well as gain proficiency in a second language.

Requirements:

- ◇ A current BGSU contract as a teaching, research or administrative assistant.
- ◇ Making satisfactory academic progress (defined as a 3.0 GPA for MA students) with no outstanding "incompletes".
- ◇ Students must attend classes in both June and July and take 9-12 credit hours.
- ◇ If you would normally graduate in May 2009, you must apply for August graduation.

BGSU provides:

- ◇ A waiver for instructional and general fees.
- ◇ A partial waiver of \$600 for room and board with a host family (a limited number of these waivers are available and they are provided only if you live with a host family for the duration of the program).

You are responsible for:

- ◇ Airfare to and from Spain.
- ◇ Room and Board fees (\$800.00 if you live with a host family and receive the 1st month housing waiver or \$1,400.00 if you did not receive the waiver). Note: living with a host family is not required for graduate students but the waiver is provided only to students who choose the host family option.
- ◇ Miscellaneous fees (i.e.-\$25.00 application fee, \$175.00 administrative fee, \$50.00 Education Abroad fee, and \$8.00 registration fee).
- ◇ Optional cultural excursion fee (\$500.00); includes hotels, meals and admission fees on all program group excursions.
- ◇ ISIC card (required for all University students studying abroad-\$22.00).

The deadline for applications is March 15, 2009.
