Who Matriculated as of Summer 2002 and Beyond

Summer 2009 – Fall 2009 – Spring 2010

Updated: May 1, 2009

Costs include the following: Tuition, room and board (except during vacation periods), books at the Institut, bus passes for those who live beyond walking distance from the Institut, public transportation pass during Paris program, transportation from the airport to Tours, BGSU excursions, and Paris-Ouagadougou airfare for students who participate in a combined France/Burkina Faso program.

They do not include transportation to and from Europe, passport and visa fees, Campus France registration fees, vacation meals and lodging, immunizations and anti-malarial medication for the Burkina Faso program (approx. \$300), school supplies, personal expenses, or costs of individual travel.

Personal spending beyond the overall fee varies widely, but spending needs of most students are generally slightly higher than they would be on an American campus.

Any student who withdraws from the program after having been accepted forfeits the nonrefundable application and administrative fees. The student will be responsible for any fees incurred by the program on his or her behalf (for example-housing, train tickets from Paris, airfare to Ouagadougou).
