-

Congratulations to Peggy Giordano!

Peggy Giordano received funding from the NIJ for her project titled, “Life Course, Relationship, and Situational Contexts of Teen Dating Violence.” This project involves another wave of TARS data collection.

AAFCS 101st Annual Conference - Call for proposals due October 19

New Century for FCS: New Challenges, New Solutions

The American Association of Family and Consumer Sciences conference will take place June 24-26, 2010 in Cleveland, Ohio. The call for proposals can be found here: <http://www.aafcs.org/meetings/10/index.html>.

2008 Single Year Estimates of the American Community Survey Are Now Available

- The ACS provides current household and individual characteristics for areas with a population of 65,000 or more. For more information please visit: <http://www.census.gov/acs/www/index.html>.
 - The Census Bureau released reported numbers of same-sex spouses from the 2008 ACS and data from prior years. More information is at this [link](#) on the Families and Living Arrangements webpage (scroll down to the Same-Sex Couple section).

E-Journal Quick Links

CFDR’s web site has quick links to frequently used population-related journals. This journal list provides a one-click connection to the university library page for each journal. Journal home pages (if they exist) also can be accessed by clicking on the journal title. Check it out: <http://www.bgsu.edu/organizations/cfdr/page36024.html>.
