

# Application Form

## Health Sciences Residential Community

### Schlink Foundation Endowed Scholarship Fund

The Schlink Foundation Endowed Scholarship Fund for the Health Sciences Residential Community is provided by the generosity of the Schlink family to support students in the Nursing and Allied Health fields at Bowling Green State University. **This award is designated to cover the cost of participating in the Health Sciences Residential Community for one academic year.**

The award is based on financial need. In order to assess this, we ask that you complete the FAFSA form with the Office of Student Financial Aid, if you do not already have one on file. To be eligible students must be enrolled in the College of Health and Human Services. Recipients will be chosen this summer, and the award will be distributed in equal amounts for the Fall and Spring semesters as a bursar credit for the amount of the HSRC fee.

**Return to: Robert Harr – 504 Life Science, Bowling Green, OH 43403**
