

GRADUATE PROGRAM CHECKLIST

Name: _____ SS#: _____

The following coursework must be completed to meet eligibility requirements for the graduate program in Communication Disorders. Please examine your undergraduate transcripts and determine which qualifiers have been met and which classes remain to be taken.

Conversion chart:

- 1 quarter hour = 2/3 semester hour
- 2 quarter hours = 1-1/3 semester hours
- 3 quarter hours = 2 semester hours
- 4 quarter hours = 2-2/3 semester hours

Minimum of 27 semester credit hours in basic sciences:

- a. at least 6 semester credit hours in biology/physiological sciences and math
- b. at least 6 semester credit hours in behavioral and/or social sciences
- c. at least 15 semester credit hours in basic human communication processes

I. Biology/Physical Sciences and Math

A. Biological/Physical Science (at least one course listing.)

<u>University Listing</u>	<u>Course Number</u>	<u>Course Title</u>	<u>Semester Credit Hours</u>
---------------------------	----------------------	---------------------	------------------------------

B. *Mathematics (at least one course listing.) *Remedial courses, historical math courses and methodology courses cannot be used to meet this requirement.

<u>University Listing</u>	<u>Course Number</u>	<u>Course Title</u>	<u>Semester Credit Hours</u>
---------------------------	----------------------	---------------------	------------------------------

II. Behavioral and/or Social Sciences (at least one course listing.)

Examples: understanding normal/abnormal human behavior; development across life span; social interaction; issues of culturally diverse populations

<u>University Listing</u>	<u>Course Number</u>	<u>Course Title</u>	<u>Semester Credit Hours</u>
---------------------------	----------------------	---------------------	------------------------------

II. Basic Human Communication Processes

A. Anatomical and Physiological Bases (at least one course listing.) Examples: anatomy; neurology; physiology of speech language and hearing mechanisms

University Listing Course Number Course Title Semester Credit Hours

B. Physical and Psychological Bases (at least one course listing.) Examples: acoustics; physics of sound; phonology; perceptual processes; speech sciences; psychoacoustics

University Listing Course Number Course Title Semester Credit Hours

C. Linguistic and Psycholinguistic Aspects (at least one course listing.) Examples: linguistic; psychology of language; psycholinguistics; speech and language acquisition

University Listing Course Number Course Title Semester Credit Hours

Undergraduate CDIS Courses

CDIS 223	Intro to CDIS (3)	_____
CDIS 224	Phonetics (3)	_____
CDIS 225	Lang Acquisition & Dev (3)	_____
CDIS 301	Anat & Phys of Sp Mech (4)	_____
CDIS 302	Intro to Hearing Science (4)	_____
CDIS 311	Artic Dev & Disorders (3)	_____
CDIS 351	Lang Assessmt & Remed (3)	_____
CDIS 361	Intro to Diagnostic Aud (3)	_____
CDIS 401	Clinical Methods (4)	_____
