BGSU PGP Installation Exemption Authorization

The _____ computer, system serial number _____ and BGSU asset number _____ has been supplied to me by Bowling Green State University for use in conjunction with my work as an employee at the University. The University requires encryption of data on University owned assets to reduce the risk of unintended dissemination of University data.

I am requesting an exemption from the PGP software installation due to the special circumstances necessary to complete my job duties. I understand that in declining the software installation, I am responsible for any compromises of data on the system for which I declined encryption. The reason for this exemption request is described below:

Justification for exemption:

Printed name of BGSU employee: _____ Date _____

Signature of BGSU employee: _____

Printed name of Vice President: _____ Date _____

Signature of Vice President: _____

Printed name of ITS Customer Relations Manager: _____ Date _____

Signature of ITS Customer Relations Manager: _____
