

Graduate Assistantship Application
Educational Administration and Supervision/Leadership Studies
School of Educational Foundations, Leadership and Policy

This application, with vita/resume attached, must be sent by you directly to **Educational Administration and Supervision/Leadership Studies, 550 Education, Bowling Green State University, Bowling Green, OH 43403**. In addition, you should submit three current letters of reference. The letters should include information about both your ability to complete the responsibilities normally associated with an assistantship/fellowship as well as your potential for success in academic pursuits. Please remember that graduate assistantships/fellowships are awarded only after formal admission to an EDAS/LS degree program.

The review of applications for Fall semester assistantship/fellowships begins on March 1 and continues through approximately May 1. Thus, applications from students already admitted to the program and received on or prior to March 1 have a greater probability of being selected.

Name: _____ Social Security #: _____
Address: _____

References (names, addresses, and telephone numbers of the persons whom you are asking to provide letters of reference):
