

Atlas Van Lines, with over 450 agents nationwide, makes us a leader in the industry. Lewis & Michael, Inc. has been a family owned agency for over 50 years and a proud recipient of The Milton Hill Quality Award, the most prestigious recognition in the Atlas system. We move labs and have relocated over 100 libraries to date, a service which can be of great use to your faculty and staff. We take ownership of each Bowling Green State University relocation, from coordinating all aspects of the move to our self haul capabilities. Over 95% of our total shipments are self hauled ensuring a seamless move with shorter delivery spreads.
