Dr. Rachel A. Vannatta, Chair  
Educational Foundations & Inquiry  
College of Education and Human Development  
Bowling Green State University  
CAMPUS

Dear Dr. Vannatta:

It is the purpose of the communiqué to extend my enthusiastic support for the Master's degree in Cross-Cultural and International Education. In keeping with my strong endorsement of the degree proposal, I would like to commit to supporting the equivalent of one twenty hour a week graduate assistant for the first two years of the program. Thereafter, I will be glad to entertain continuing graduate assistant monies and other resources to assure its success as a viable program of study.

Thank you for the opportunity to be part of this initiative and for the generous amount of time and energy put forth by your faculty to bring this outstanding proposal to fruition.

Sincerely,

A handwritten signature in black ink, appearing to read "Josué Cruz, Jr.".
