Student, Faculty and Staff Parking Map and Traffic Regulations

Bowling Green State University 1985-86 VISITOR REGULATIONS ON REVERSE SIDE

The Board of Trustees of Bowling Green State University, by the authority of Ohio Revised Code Section 3345.04, on July 8, 1976, enacted a code of regulations effective September 1, 1976, to provide control of the parking and operation of motor vehicles on any property owned or controlled by Bowling Green State University.

I. REGISTRATION

A. The University requires the registration of any motor vehicle, within 48 hours of its initial arrival on campus, that is owned or operated by a student or faculty/staff member, when such vehicle is parked on any property owned or leased by the University.

B. Registration can be completed at the Parking and Traffic Office, 104 Commons. There are three (3) parking spaces in faculty/staff area G which are signed "Parking or Police Business Only." Students, faculty/staff and visitors may park in these spaces to transact business in the Parking and Traffic Office.

C. Motor vehicles parked on University owned or leased property shall be registered with the appropriate state or government agency and display that current license plate.

II. STUDENT VEHICLE REGISTRATIONS

A. The current registration cost will be billed to the individual's University account through the Bursar's office. Cash payment cannot be made at the time of registration at the Parking and Traffic Office.

B. Full-time student registration decals expire annually.

C. Evening student registration decals expire at the end of the semester in which the decal was issued.

D. A student who is the son or daughter of a faculty/staff member must register the vehicle he or she will be driving in compliance with student registration regulations and must park in appropriate student lots.

E. A completed registration form is required when registering. The following information must be supplied:

1. social security number
 2. license plate number
 3. year and make of car
- F. Student Decal/Permit Display**
- 1.** Registration of a vehicle is complete only after the decal/permit is permanently affixed on the vehicle.
- (a)** Decals shall be displayed on rear bumpers of vehicles, right of center. Entire decal must be affixed to bumper with adhesive provided on the back of the decal.
- (b)** Vehicles with unusual bumpers may display decals by constructing a holder for the decal and attaching the holder to the license plate. The holder with the decal must extend to the right of the license plate and may not cover any part of the license plate.
- (c)** Temporary registrations and parking permits shall be affixed to the inside lower right portion of the rear window.

G. Student Temporary Registration

1. For a nominal fee, a temporary registration may be obtained by a student who desires to bring a motor vehicle to the University for a period of one to five weeks.

2. A free parking permit may be obtained for an unregistered vehicle if the registered vehicle is disabled; permit is good for a maximum of one week.

3. A combination of (a) and (b) may be utilized if a registered vehicle is disabled longer than one week.

H. Student Replacement Decals/Permits

1. When a vehicle is traded or a bumper is replaced, a new decal for the vehicle will be

issued, without charge, providing the original decal is returned within seven (7) days to the Parking and Traffic Office. (also see I.2. below)

2. A new decal or permit must be obtained and displayed:

- (a) upon expiration
 - (b) when the owner/operator changes vehicles
 - (c) when the owner/operator changes residence status from commuter to on-campus or from on-campus to commuter
 - (d) when the decal or permit is lost or stolen
 - (e) when the decal or permit becomes mutilated or unreadable
- 3.** To remove your decal from the bumper, cover the entire decal with clear tape, and using a single-edged razor blade (available in the Parking and Traffic Office upon request), work the decal off.

I. Student Second Vehicle Registration

1. If a student drives more than one vehicle he or she may be issued a second decal at a lesser charge than for the original decal.

2. When a vehicle is traded and the original decal is not returned within seven (7) days to the Parking and Traffic Office the registration for the new vehicle will be at the same charge as if the vehicle were being registered as a second vehicle.

J. Student Registration Refund

1. Upon proof of graduation (fall semester only) and the return of the decal within four (4) weeks after the end of the semester, part of the registration fee will be refunded. Refunds will be given for the first decal only.

2. Partial registration fee will be refunded when a student withdraws from the University during the fall semester. The decal must be returned to Parking and Traffic Office within two (2) weeks of withdrawal.

K. Student Decal Types

1. On-Campus: All students living in BGSU housing are considered on-campus students and will receive on-campus decals permitting parking in the areas designated on the map and marked by signs at the parking area entrances.

2. On-Campus/Commuter: When a commuter and an on-campus student will be using the same vehicle individually. The on-campus student registering the vehicle will receive/display an on-campus decal; the commuter student registering the vehicle will receive/display a commuter decal. When the vehicle is being used by the on-campus student, the areas assigned to that type decal will be used; when the vehicle is being used by the commuter student, the areas assigned to the commuter decal will apply.

3. Commuter: Students not living in University housing are considered commuter students and will receive commuter decals permitting parking in commuter parking areas as designated on the map and marked by signs at the parking area entrances. ALL COMMUTER LOTS ARE CLOSED FROM 3 A.M. TO 5 A.M.

4. Evening: Students who attend classes only after 5 p.m. are considered evening students and will receive evening decals permitting parking in all areas (after 5 p.m.) except areas G, H and S which are reserved for faculty/staff from 7 a.m. to 9 p.m. Monday through Friday. If an evening only student has occasion to be on campus before 5 p.m. he or she shall park in metered areas and deposit the proper coins in the meter. An evening student may purchase a full-time student decal and park in the designated student areas.

5. Handicapped: Handicapped/wheelchair persons can register their cars and, in addition to appropriate decal type, obtain handicapped decals. Handicapped parking is permitted in those spaces designated and marked as handicapped/wheelchair in areas A, C, H, R, N, O, Y, 10, 11, 17 and west of McFall Center.

L. Decals/permits may be used only by the persons to whom they are issued and only on the vehicles for which they are registered.

M. Any person registering a vehicle in his or her name shall be held liable for all violations incurred by that vehicle until the decal expires or is returned to the Parking and Traffic Office.

III. FACULTY/STAFF REGISTRATION

A. A permanent faculty/staff member will be issued one transferable parking permit. This permit can be transferred to any vehicle the faculty/staff member may drive and park on University property.

B. The following are required when registering:

1. auto registration fee waiver obtained from and signed by employee's budget administrator. One fee waiver will be valid each academic year and for one transferable permit only.
 2. campus and home address
 3. social security number
 4. University status (faculty, administrative staff, classified staff, permanent, temporary.)
- C.** The transferable permit must be properly displayed when parked on University property by hanging the permit from the rearview mirror.
- D.** Only one permit per faculty/staff member will be issued. Second permits are not available.
- E.** Any faculty or staff member who applied for and is issued a transferable permit shall be held liable for all violations incurred by any vehicle displaying the transferable permit until the permit expires or is returned to the Parking and Traffic Office.
- F.** A student who is the son or daughter of a faculty/staff member must register the vehicle he or she will be driving in compliance with student registration regulations and must park in appropriate student areas.
- G.** A one-day pass may be issued to a faculty/staff member who forgets to transfer the permanent permit to his/her vehicle on that day. This one-day pass will not be issued more than two (2) times per semester.
- H.** If a faculty/staff member forgets his/her transferable permit and does not desire a one-day pass he/she may park in any metered space. The proper coins must be deposited in the meter.
- I. Stolen or Lost Permits**
- 1.** Securing the permit inside a vehicle will be the responsibility of the permit holder. Vehicles are to be locked at all times. Failure to lock the vehicle may contribute to the theft of the permit.
- 2.** If a permit is stolen or lost the permit will be replaced after the individual completes a theft report with the Department of Public Safety. A replacement charge equal to the cost of the original permit will be assessed the individual.
- 3. POSSESSION OF, OR COMPLICITY IN THE USE OF, A STOLEN OR LOST TRANSFERABLE PERMIT WILL RESULT IN CRIMINAL PROSECUTION AND LOSS OF CAMPUS PARKING PRIVILEGES UNTIL THE EXPIRATION DATE OF THE ORIGINAL PERMIT.**
- J.** Faculty/staff members hired on a short-term, temporary basis will be issued a temporary registration. A completed auto registration fee waiver signed by the temporary employee's budget administrator is required each time a temporary registration is issued. Temporary registrations are to be affixed to the inside lower right portion of the rear window.

IV. PARKING

A. General Information

1. The term motor vehicle, as used herein, includes motorcycles, motorbikes, motor-scooters, trucks, buses and vans as well as automobiles or any other vehicle required to be licensed by the State of Ohio.

2. Parking is defined as the standing of a motor vehicle upon any property owned or leased by the University whether accompanied or unaccompanied by an operator for a period of time in excess of one minute.

3. A violation period is defined as daily for registration and parking violations. If the vehicle is moved, the violation period begins anew as of the time the vehicle was moved, whether or not the vehicle returns to the same area or a new area. Exceptions to the daily violation period are:

- (a) The violation period for an overtime meter is each hour the meter is expired.
- (b) The violation period for a 20-minute loading or unloading area is each 20-minute period the vehicle is in the loading/unloading space or area.
- (c) An abandoned vehicle is any parked vehicle without a valid parking permit displayed and not moved for a period of seventy-two (72) hours, or any vehicle with either expired state vehicle plates or no state vehicle plates displayed.

B. Regulations

1. Responsibility for locating a legal parking space rests with the operator of the motor vehicle. Lack of space is not considered a valid reason for violating any parking regulation.

2. No person shall park any motor vehicle on campus in any location other than an authorized and designated parking space within a designated parking area.

3. A designated space is defined by parallel white lines. All vehicles must park within the boundaries of a parking space. The fact that other vehicles are parked improperly shall not constitute an excuse for parking with any part of the motor vehicle on or over any line. Yellow lines do not designate a parking space. Parking is never allowed on yellow lines.

4. VEHICLES SHALL BE HEADED INTO A PARKING SPACE IN ALL PARKING AREAS. BACKING INTO A SPACE OR "PULLING THROUGH" ONE SPACE TO ANOTHER ADJACENT SPACE IS PROHIBITED.

5. No vehicle is to be parked or driven in such a manner as to obstruct vehicular or pedestrian traffic. ALL DRIVES ARE FIRELANES WHETHER POSTED OR NOT. A yellow curb may also designate a firelane in lieu of posted firelane signage. Parking adjacent to yellow curbing is prohibited.

6. Parking, except in areas designated for on-campus students, is not permitted during city-declared snow emergencies between 3 a.m. and 5 a.m. This is to allow for snow removal.

7. ALL COMMUTER LOTS ARE CLOSED BETWEEN THE HOURS OF 3 A.M. AND 5 A.M., MONDAY THROUGH FRIDAY.

- (a) Parking for commuter and/or on-campus students, visitors or faculty/staff is not permitted during the 3 a.m.-5 a.m. closing without prior permission from the Parking and Traffic Office.
- (b) Students are responsible for informing guests of parking regulations. Overnight visitor parking is available in metered lots or other areas as designated

on a permit obtained from the Parking and Traffic Office.

8. The fact that a person parks in violation of any law, ordinance or regulation and does not receive a violation notice does not mean that the law, ordinance or regulation is no longer in effect.

9. The University reserves the right to remove the following from campus:

- (a) Any vehicle that is parked in such a manner as to constitute a hazard, or that impedes vehicular or pedestrian traffic movement, the operation of emergency equipment, or the making of essential repairs and/or deliveries.
- (b) Any vehicle with an unauthorized or altered parking permit or decal.
- (c) Vehicles repeatedly found on campus without a valid University parking permit. In these instances removal shall be made regardless of the knowledge that said vehicle belongs to or is operated by a person or persons eligible for University parking permit privileges.
- (d) Any vehicle registered or unregistered, which because of its physical condition is deemed a safety hazard to other vehicles and/or pedestrians.
- (e) All abandoned vehicles.
- (f) Any vehicle with multiple unpaid violations whether registered or unregistered.

C. Student Areas

1. Parking area signs specify the type of decal/permit authorized to park in an area as well as the effective hours. Students may park registered vehicles in appropriate on-campus or commuter lots. See areas designated on map (reverse side) and/or signs at entrances of parking areas. Student vehicles need to be registered **AT ALL TIMES**. The effective hours on the sign only indicate the hours the area is RESERVED for the decal designation.

2. Monday through Friday, 5 p.m. to 7 a.m. all student-registered vehicles may be parked in faculty/staff areas except:

- (a) entire east side of Lot K (as designated by signs) which is reserved for faculty/staff **AT ALL TIMES**.
- (b) Lots G, H and S are reserved for faculty/staff Monday through Friday from 7 a.m. until 9 p.m.

3. Friday beginning at 5 p.m. until Monday 7 a.m. all student-registered vehicles may be parked in faculty/staff areas except:

- (a) entire east side of Lot K (as designated by signs) is reserved for faculty/staff **AT ALL TIMES**.
- (b) Lots G, H and S are reserved for faculty/staff until 9 p.m. on Friday evening. Beginning at 9 p.m. student-registered vehicles may be parked in Lots G, H and S until 7 a.m. Monday.

D. Faculty and Staff Areas

1. Faculty and staff are permitted to park in any lettered area. In addition, faculty and staff may overflow into any commuter parking area ONLY WHEN FACULTY/STAFF AREAS ARE FULL.

E. Metered Parking Areas

1. Metered parking areas are available to all vehicles. The meter deposit shall be made for the parking of a motor vehicle in a metered space. The time limitation and coin usage is stated on each meter.

2. Backing into metered spaces is prohibited.

3. Violation: the driver of a vehicle ticketed for an overtime meter violation may discharge the obligation by inserting the assessment in the ticket envelope and depositing the envelope in one of the

courtesy boxes provided in the metered parking areas.

F. Broken Meters

1. If a meter will not accept coins or displays an incorrect amount of time it is the driver's responsibility to report immediately the meter number and problem to the Parking and Traffic Office, phone 372-2776.

2. When a meter is not functioning properly and is not reported to the Parking and Traffic Office the vehicle may be issued an expired meter violation and may receive a violation for each hour the meter is expired.

G. Special Parking Problems

1. Handicapped spaces—Spaces marked with handicapped signs are for wheelchair persons only. There are wheelchair spaces in lots A, C, R, H, N, O, Y, 10, 11, 17 and west of McFall. A handicapped decal shall be displayed when occupying these spaces.

2. Physical disability—Students and faculty/staff having a health problem or physical disability necessitating special parking needs may be issued a parking permit by obtaining the prescribed form from the Parking and Traffic Office; this form must be completed by a physician. The Manager of the Parking and Traffic Division shall designate the area or space in which the recipient of the parking permit may park. Unless a medical parking permit expires before, it will expire at the end of each semester.

3. Work permit—If an on-campus resident student is employed by a business located off-campus and must use his or her registered vehicle for transportation a special permit may be available to allow parking closer to the residence hall. A statement written on company stationery designating days and times of employment and signed by the employer is required. The Manager of the Parking and Traffic Division shall designate area and times in which the recipient of the permit may park.

4. Disabled vehicles—If a vehicle becomes disabled during normal University business hours the driver shall contact the Parking and Traffic Office, phone 372-2776. If the Parking and Traffic Office is closed the driver shall contact University Police, phone 372-2346.

- (a) If the disabled vehicle constitutes a safety or traffic hazard the driver shall make arrangements to have the vehicle moved immediately.
- (b) Depending upon circumstances disabled vehicles in restricted areas which do not constitute safety or traffic hazards may or may not be permitted a nominal amount of time before removal is required and/or violation is issued.
- (c) When disabled vehicles are parked in metered spaces the proper coins must be deposited.

V. EMERGENCIES/SPECIAL EVENTS

A. Should special circumstances warrant, the president of the University is authorized to adopt and promulgate additional parking regulations, said additional regulations then becoming, through incorporation by reference, part of the official University Parking Regulations. During an emergency, or other special event, the Manager of the Parking and Traffic Division is authorized to establish and enforce any temporary parking regulations deemed necessary for the duration of the emergency or special event.

1. Scheduled home basketball games are considered special events. On the days/evenings of home basketball games lots N and 14 will be restricted. Faculty/staff and student

decals will not be allowed to enter these lots between 5 p.m. and 8 p.m. unless an appropriate Falcon Club special parking permit is displayed.

VI. VIOLATIONS AND ASSESSMENTS

VII. ASSESSMENTS/APPEALS

The registered driver, or registered student in possession of the vehicle, or employed faculty/staff member, or owner will be held responsible for all parking assessments issued to the vehicle.

A. Assessments

1. A student or faculty/staff member charged with a violation may pay the appropriate assessment at the bursar's office in the Administration Building since it will be charged to the individual's account at the time of issuance.
2. Violation notices incurred on vehicles registered by the state in the name of the parents, guardians, spouse or other family members of a student will be charged to the student unless the owner acknowledges and assumes responsibility for the violation(s).

B. Appeals

1. A student has the right to appeal a parking violation through the Student Parking Appeals Board within 21 days after the issuance of the ticket. After 21 days the appeal may be heard at the Board's discretion. Appeal forms are available at the Parking and Traffic Office and the Student Court Office, 411 Student Services Building.
2. Faculty/staff members receiving tickets have the right to appeal the violations within 21 days after issuance to the University Appeals Board. After 21 days the appeal may be heard at the Board's discretion. Appeal forms are available in the Parking and Traffic Office.

decals will not be allowed to enter these lots between 5 p.m. and 8 p.m. unless an appropriate Falcon Club special parking permit is displayed.

VI. VIOLATIONS AND ASSESSMENTS
