On a separate page, respond to the following to the best of your ability.

Application Response:

Please respond in 200 words or less.

- Describe your long term academic and career goals and how the Honors Program will help you achieve those goals.

Critical Analysis:

Please respond in 500 words or less.

- Pick one of the current national or international news editorials provided to you. Provide a critical analysis using the editorial you select. For instance, if the author seems to be biased in any way, or omits any important information, make sure you mention it. In writing your response, you will be evaluating the validity of the editorial and forming your own critical opinions: part of the process of critical thinking.

Essay:

Please respond in 500 words or less.

- What is the purpose of a University liberal arts education? What role should the University educated person play in society?

My transcript through junior year of high school will be ordered and **sent to the University Honors Program. This is a separate transcript from the one sent to the BGSU Admissions Office.** Applicants will need to send an official transcript once they have completed their senior year and grades have been posted to the transcript.
