

**Rec Sports Outdoor Facilities, 2005-06 School Year
Area and Descriptions**

Intramural Fields = The **lighted and irrigated IM field area** (just south of the Ice Arena) includes field areas 1-4, and represents a rectangular area encompassing ~8 acres. Utilizing lights also accrues a Rec Sports rental and employee charge. Immediately to the east of that space is another **unlighted area, without irrigation** (field areas 5 & 6) that spans ~ 6 acres. During the academic year, Rec Sports (RS) schedules these areas, but in the summer, the Intercollegiate Athletics Department (ICA) does the schedules. Rec Sports and ICA events have priority within these areas, but other users may request the space, as available.

College Park Tennis Courts = Four (4) outdoor tennis courts located inside a fenced area, with coin operated lights (\$.50/30 minutes).

Kreischer/Harshman Basketball Courts = Four (4), lighted 94' x 50' outdoor basketball courts (10' between courts), are located between the Kreischer and Harshman Quads (residence halls). Court lights are activated automatically via an "electronic eye" when evening nears, but if electrical power outlets are needed, 2 weeks advance notification is required for activation.

Student Rec Center (SRC) Sand Volleyball Court = One (1) sand court is located outside the northeast corner of the SRC.

Perry Field House (PFH) Mud Pits = Two (2) mud pits are located just behind the PFH. These are typically used for mud volleyball, tug of war, or other fun, messy activities! For events requiring wet, messy mud, a city water permit must be obtained to hook into the fire hydrant, by calling the Fire Department (352-3106). Also contact BGSU Safety Officer, John Curlis (372-2171). If the ground will need to be tilled up by the Grounds Dept. for your event, 2 weeks advance notification is requested.

Please review "standard" site, equipment, and personnel items and issues for each facility below:

Site Issues:	IM Fds. 1-4	IM Fds. 5-6	Tennis	B-ball	V-ball	Mud Pits
