

BGSU NPHC Intake Policy **Spring 2008**

BGSU is committed to the success of NPHC fraternities and sororities and works closely with each chapter, their Grad Advisors, and the NPHC Council, to ensure a good experience for those students who join an NPHC group.

Eligibility

- NPHC groups in good standing with BGSU and their national headquarters are eligible to conduct intake.
- All NPHC fraternities and sororities must get permission for intake **prior to any intake activities** (i.e. interest meetings, flyers, etc.).
- Any BGSU undergraduate student with a 2.50 cumulative GPA is eligible for intake (this applies to all fraternities and sororities at BGSU). Greek Affairs will verify these GPA's.

Intake Process

- Intake can occur throughout the year.
- A meeting must be held between the undergraduate chapter president, intake coordinator, and the Director of Greek Affairs, to get approval for intake, **one week prior to any intake activity**. Graduate Advisors must attend this meeting.
- Groups must submit to the Director of Greek Affairs, **one week prior to any activities**, a schedule of intake activities from the interest meetings to initiation, including any "coming out" show. This list will remain confidential.
- Greek Affairs will verify the GPA of those going through the intake process prior to any activity (this is done for all fraternities and sororities at BGSU) and will send the information to the Graduate Advisor.

Forms Required

- Each semester all BGSU fraternities and sororities must sign the Hazing Compliance Form (undergraduate chapter president, intake coordinator, Faculty Advisor, and Grad Advisor) by the third week of the semester (the same date for all Greeks to turn in this form).
- All those going through the intake process must sign a BGSU Grade Release Form one week prior to any intake activity, with all those going through the intake process being added to the chapter's roster in Greek Affairs.

Coming Out Show

- Not all groups can conduct a coming out show due to their national policies
- Groups need to verify with Greek Affairs at least 24 hours in advance of the show
- During the show there will be no disrespecting other Greeks or any other peoples
- Greek Affairs would like to publicize these shows to the Greek Staff so that they will be educated about NPHC groups
