

Fraternity Activities Fall 2006

Welcome to Bowling Green State University!! I'm sure you've found that you made the right choice in coming to BG. Now you can begin a search for a terrific organization, your fraternity! Below is a list of events and what chapters are putting them on. There is also a contact email for each chapter's recruitment chair. Also on **August 30, from 11am to 2pm there will be the Greek Carnival in the Union Oval**. This will give you an opportunity to interact with members of all chapters in the Fraternity Community. Also, beginning **September 5th and 6th all Fraternities will be having Open Houses from 6PM to 9PM at their on campus chapter houses**. Please feel free to drop by them and meet the men of the IFC community at BGSU. Be sure to look at as many chapters as possible.

Remember, there is a chapter out there for everyone, so have fun and get ready for the best time of your life... Greek Life!!
