

Bowling Green State University
Student Affairs Assessment Committee
Goals and Priorities for AY 2006-2007

1. Review 2005-06 assessment goals to determine level of completion; begin to discuss establishment of goals and priorities for 2006-07.
2. Review 2005-06 departmental assessment reports and provide feedback on assessment initiatives.
3. Select 2005-06 assessment reports to be submitted to SAAC for consideration for SAAC Lunch Award.
4. Update the Student Affairs Assessment Committee website.
5. Initiate a series of assessment workshops on feedback groups and other identified topics to meet the varied needs of the departments/program areas in Student Affairs.
6. Create a template to be used for annual Student Affairs assessment reports.
7. Serve as a clearinghouse on surveys to be administered by various departments in Student Affairs.
8. Focus more attention on assessment initiatives in Student Affairs.
9. Provide information about assessment resources available through the Office of the VPSA including creating an annotated bibliography of resources in the Student Affairs Assessment Library.
10. Review and provide feedback on 2006-07 learning outcomes for department/program areas in Student Affairs.
