

Spring 2008 Intramural Tennis Rules

BGSU Intramurals

Each player (team) is required to bring a can of new/good tennis balls each time they play.

1. **Players, Substitutes, Rosters, and ID's**

- A. There will be three weeks of regular season play and one week of playoffs.
- B. For doubles, two players are required at all times to avoid a forfeit.
- C. A substitute may enter at the beginning of any game.
- D. Roster Changes: Beginning Monday, March 31st, team captains will be allowed to make roster changes limited to 2 player changes. Roster changes can be made either at the IM office or at the contest site during the 1st two(2) weeks of play. New players must sign an "Agreement to Participate" form prior to playing. If a player is found to be on two rosters the later of the two teams they played for will be assessed a loss and will jeopardize their consideration for playoffs. *Teams utilizing players who are discovered by the IM staff as falsely representing themselves as someone else (aka: wrong ID), will be immediately suspended from play and awarded a "Season Ending" Sportsmanship Rating.* Captains who play must be listed on the player roster.
- F. To participate in **intramurals**, there is no credit hour requirement, but an appropriate ID must be presented to an Intramural employee as follows: students and faculty/staff must show a BGSU ID.
- G. All 2007-08 BGSU varsity and club tennis team players are ineligible to participate. Current year coaches and coaches and players from the previous academic year are eligible to play, for doubles one total player is allowed per roster.

2. **Playing Area and Conditions**

- A. All matches will be played at the College Park Tennis Courts.
- B. Weather information - contact the IM HOTLINE at 419-372-2650 after 4 p.m. on the day of your game. Please inform your team the Intramural Office will not give out any weather information. Please do not call the office.
- C. During intramurals, chewing or smoking tobacco products is prohibited at all indoor and outdoor sites on campus. Coaches or rostered players found chewing or smoking tobacco may be warned, penalized by sport-specific rules, and/or removed from play. Uncooperative spectators may also penalize a team.
- D. If severe weather threatens during play, an air horn will sound three long, successive blasts, and each court will be notified via two-way radio or personal contact. Please seek shelter in the nearest facility.
- E. Any personal items (ID's, keys, equipment, etc.) left at any intramural site and found by an intramural employee will be taken to that facility's "lost and found", or to the front desk of Perry Field House, to be placed in their "lost and found".

3. **Equipment and Uniform**

- A. Participants will supply their own racquets and a good can of tennis balls.

4. **Safety and Prevention**

- A. A player who has any visible amount of blood on their uniform shall be considered an injured player and must leave the game immediately for appropriate treatment and/or changing of clothes.
- B. Players wearing glasses should have shatter proof lenses and straps.
- C. Jewelry is allowed, unless deemed unsafe to a player/opponent by the IM Manager.

5. **Participant Conduct and Fair Play – "SPORTSMANSHIP"**

- A. All players, captains, and spectators will be held to a reasonable standard of conduct and fair play. Violators of this standard will be subject to sport-specific penalties, and/or possible removal from the building and future intramural sports.

6. Time Regulations and Length of Game

- A. The best of 15 games, (first player to win 8 games) or whichever player has won more games after 55 minutes, whichever comes first.
- B. If the time limit expires during a game, that game should still be completed. See section #10 if a tie-breaker is required.

7. Forfeits and Starting Games

- A. Game time is forfeit time. All players should be checked in and ready to play at the scheduled time. There is no grace period. Once team minimum is met, late arrivals can still play once they check in.
- B. If a team forfeits once for any reason, they jeopardize their eligibility for playoffs. Forfeiting a second night drops that team from play for the rest of the season.
- C. Participants failing to check in with the scorekeeper before play will be penalized, and may penalize the whole team. Once a person is found to have played prior to checking in, they will be asked to present a valid ID. If the player can present a valid ID, he/she will be removed from the game. If that player is unable to present a valid ID, the game will be declared a forfeit.

8. Playing Rules and Scoring

- A. Serving and receiving
 1. Winner of toss - (spin of racquet). The winner of the toss will choose to be server or receiver, in which case the opponent shall choose the side.
 2. The server must stand with both feet behind the baseline. They must stand between the continuation of the side line and the center line. Neither foot may touch the court across the baseline until the ball has been contacted.
 3. In delivering the serve, the server shall stand alternately behind the right and left courts, beginning from the right.
 4. If the first serve is not good, it is a fault and the server has a second try. If second service is not good, it is a double fault and the receiver scores a point.
 5. It is a fault if the server strikes at the ball and misses it.
 6. It is not a fault if the server decides not to strike the tossed ball and catches it or lets it fall to the ground instead.
 7. The server shall not serve until the receiver is ready. The receiver is considered ready if they attempt to return the serve.
 8. The receiver may stand wherever they please on their side of the net.
 9. The receiver determines whether or not the serve is good.
 10. It is proper tennis etiquette to award all calls you are unsure of to your opponent.
 11. A "let" serve is one which hits the top of the net and goes into the correct service court. It is always re-served. There is no limit on the number of let serves.
 12. The server serves one complete game, after which the receiver becomes the server.
 13. The server wins a point if the served ball touches the receiver or their racquet before it touches the ground.
 14. In doubles, each team will decide which partner will receive serve in the right and left hand court, and they will do so throughout a set.
- B. The game
 1. If because of wind or spin, the ball bounces back over the net, the player may reach across the net to make contact. If contact is not made, the point goes to the player making the initial contact.
 2. A ball landing on the line is good.
 3. If during a rally, the ball hits the net and goes over into the opponent's court, it remains in play.
 4. Players shall change sides of court at the end of odd-numbered games.
 5. In doubles after the service has been returned, either partner may play the ball. However, only one person on each side of the net may contact the ball.
- C. Scoring
 1. If a player wins the first point, the score is called 15 for that player; on winning the second point, the score is called 30 for that player; on winning the third point the score is called 40 for that player; and the fourth point won by a player is scored game for that player.
 2. If both players have won 3 points, the score is called deuce. The next point won by a player is called "advantage in" if the point is won by the server; "advantage out" if won by the receiver.

3. If the player with the "advantage" wins the next point, the game is over. Otherwise, the score returns to deuce.
4. When a player does not score any points, score is love.

9. Fouls, Violations, and Penalties

- A. The player loses a point if:
 1. Fails to hit the ball over the net before it has bounced twice.
 2. Returns the ball so that it lands out-of-bounds.
 3. Fails to hit the ball over the net.
 4. Touches the ball more than once in making a stroke.
 5. Touches the net with racquet or self.

 1. First person to win 7 points by a margin of 2 points wins.
 2. Person who served the previous game (to tie the set) receives.
 3. Person who serves first, serves only 1 point to the right "deuce" court. After that point each server will serve 2 serves, beginning with the "ad" court (left).
 4. Every 6 points, the opponents will switch sides.
