

2008-2009 Project ID Table for Federal Work Study (FWS)

When completing Hire/ReHire, eHire, or Change forms, use the Project ID listed for your department. The FWS Project ID is for the FWS (75%) share of the student's wages. You must also indicate a corresponding Department Cost Center (DCC) or additional Project ID (if the matching also comes from an external grant) to cover the 25% portion of the student's wages. *(Project ID Table is sorted alphabetically by departments).* **Note:** Please refer to the Student Financial Aid web page (<https://sfa.bgsu.edu/sa/fws/login.asp>) to view remaining allocation funds for your department.
