

TRAINING/HIRING CLINIC SCHEDULE INTRAMURAL OFFICIALS and SCOREKEEPERS Fall 2009 and Spring 2010

(revised 9/9/09)

Prior to the clinic date, complete an application and take-home test (available at the Intramural Office or on our web site). Turning applications and tests in late, and/or failing to attend clinics, may result in not getting hired. Once hired as an Intramural official or scorekeeper, those employees with favorable ratings/evaluations will be recruited to work IM sports throughout the academic year.

The sports noted below with an asterisk (*) will require prospective employees to attend a "practical session" (officiating and/or scoring scrimmage games) on a separate day after the general training session.

Attendance at the General Session for each semester is required. Please note dates and times below.

All training clinics will be held in the Perry Field House meeting room.

Please note that some sports will not require hiring of both officials and scorekeepers.

Key for available positions: "Off's" = officials, "SK's" = scorekeepers
