

Bowling Green State University
Voluntary Withdrawal from Sport

To be completed by student-athlete:

To: Student Financial Aid Office

This letter serves as formal notification that I, _____, have decided to voluntarily withdraw from the sport of _____ at Bowling Green State University effective immediately.

Having made this decision of my own accord, I understand that my athletic grant-in-aid, if I have one, will not be renewed at the end of the academic year and may be reduced or cancelled immediately in accordance with NCAA Bylaw 15.3.4.2-(d).

I also understand that NCAA rules provide for me the right to receive a financial aid appeal hearing but my voluntary withdrawal from the program is sufficient cause for cancellation of my athletic grant-in-aid under NCAA rules.

Sincerely,
