

Bowling Green State University Sports Medicine Staff would like to welcome you to Bowling Green, Ohio. We would like to make your stay here as enjoyable and convenient as possible.

The following services will be provided to your team during your stay in Bowling Green. A certified athletic trainer will be on site for every event and a team physician will either be on site or on call. If you have additional needs for usage of an athletic training room please contact the appropriate staff for arrangements. If your team will not be traveling with a certified athletic trainer please contact the appropriate staff member in advance. If treatments are needed and you will be traveling without a certified athletic trainer, please provide a note from the certified trainer specifying the treatment that is needed so we may accommodate your team. The following supplies will be provided: cups, water, ice, biohazard and emergency supplies.
