Good Morning BGSU Off-Campus Students -

One of the primary goals of [Off-Campus Student Services](#) is to serve as a conduit of information to off-campus students. Whether you've lived off-campus for several years or you are just fresh out of the residence halls, I think you'll find the information found at the links below very helpful.

If you have suggestions for how our staff can serve you better, please let us know by sending an email to offcampus@bgsu.edu.
