

## COURSE WORK REQUIREMENTS AND OPTIONS

### MASTER IN TECHNOLOGY MANAGEMENT- CONSTRUCTION MANAGEMENT

Current course descriptions and program requirements can be found online at [www.bgsu.edu/colleges/gradcol/documents/GradCat.pdf](http://www.bgsu.edu/colleges/gradcol/documents/GradCat.pdf)

Students must consult with an academic advisor to develop a **Tentative Degree Program (TDP)**. The TDP is essentially a written agreement between the graduate student and the university that the program embarked upon meets the requirements of the degree. The TDP is initiated by the student at the completion of 12 hours of study and must be filed with the Graduate College before the completion of 15 hours. The TDP becomes the student's academic plan and the basis for scheduling courses each term in cooperation with the major advisor.
